Address _____ City _____ State _____ Zip _____

I have studied the Breed Standards for the basset breed and I believe that I am competent to be a Breed Inspector for AHBA bassets. I will inspect the hounds to the best of my ability and I will not register a hound that I do not think is a full-blood basset. Further, I will not show partiality to any hound or hound owner.

Signature of Applicant _____

It is my belief that the above named applicant is a trustworthy person and will be an honest and competent Breed Inspector for our club and other AHBA clubs.
